

MEMORIES

(Words & music © Chris Hall www.everlightskeep.com)

v1

With Fig. 1a

Memories enter my mind
Visions of another time
They pick me up then let me down
And I find I'm never on solid ground

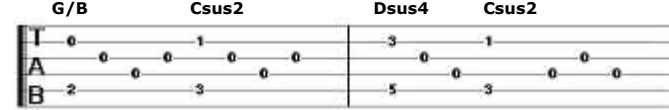

Fig. 1a

With Fig. 1b

I remember a girl with long red hair
And I remember the way we used to care,
All the fun and the times and the plans we had
But I was a fool and it all turned bad

Fig. 1b

v2

Past feelings and souvenirs
Can all too easily give rise to fears
That hold me back from whatever's new;
Like giving myself completely to you.

But the here and now is not the there and then
And I don't have to make the same mistakes again.

Chorus:

Get on with your life . . .

Sometimes to remember is like the cut from a knife
But I won't be bound by what I've done
No I will stand up and I will go on
